Earring card template — 2 × 2 in

12 cards. Cut on the outline, punch the hook hole, pierce the two earring holes.

1 in

Print at 100% / Actual size on US Letter paper — turn off "Fit to page".

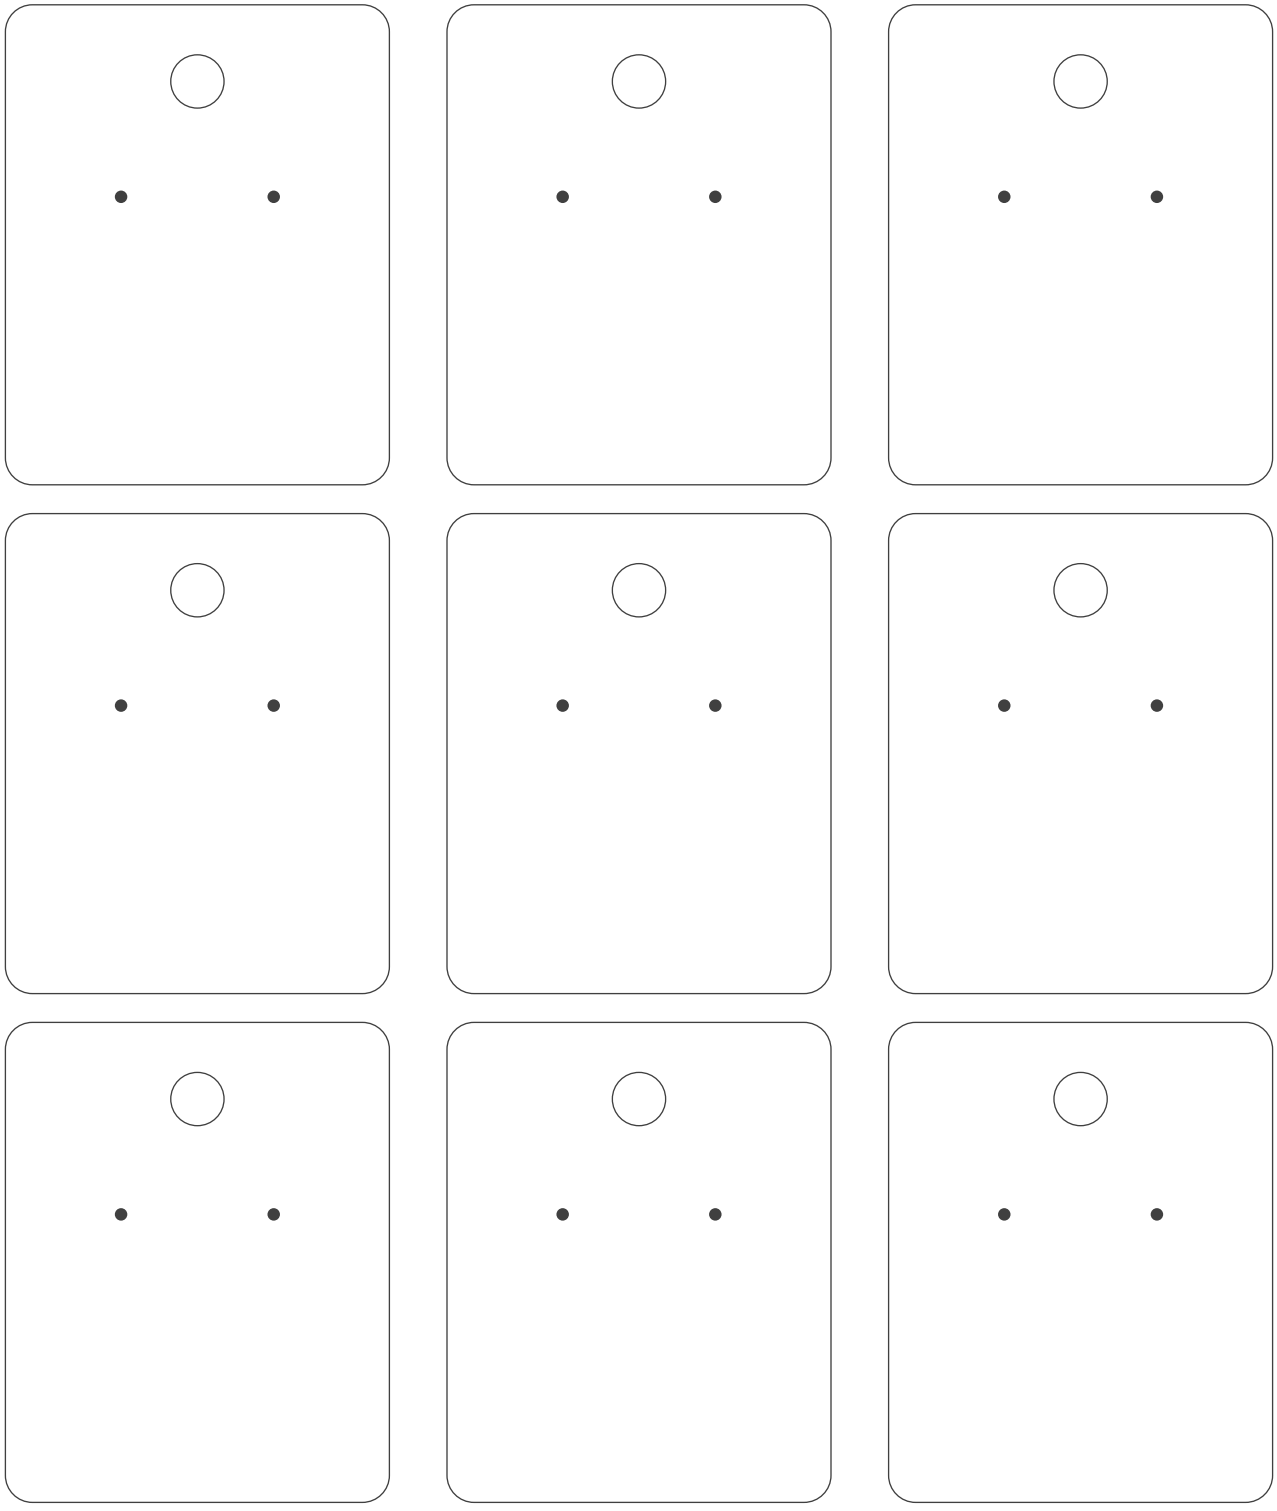

Check: the square should measure exactly 1 inch. If it does not, the cards are the wrong size.

Skip the scissors — order die-cut cards. Kraft takes your logo; black is sold blank.
